**Portfolio:** <https://codykimb.github.io/CodyKimbPortfolio/>

Full-stack web developer and recent UT Coding Bootcamp graduate looking to transition into software engineering and web development full-time. Record store co-owner and multifaceted self-starter with over 10 years experience in the music industry. Throughout my career, I have leveraged my knowledge of computers and technology to create high quality experiences and products. My national and international tour experience has taught me how to be flexible and work collaboratively in fast-paced high-pressure environments.

## Technical Skills

- **Languages:** JavaScript, jQuery, HTML, CSS, SQL
- **Applications:** GitHub, MySQL
- **Tools:** Express.js, Node.js, Bootstrap, Handlebars

## Projects

### NOW PLAYING

<https://github.com/drewvena/now-playing/> | <https://nowplayingapp.herokuapp.com/>

Role: Full-stack developer, created the concept, created models and views, wrote Javascript functions, assisted layouts and styling

Tools: HTML, CSS, Javascript, Handlebars, Node.js, Express.js, MySQL, Sequelize

Now Playing is a music-focused social media app for sharing and discovering new music. Users can create posts, like posts and add comments. The home feed can be filtered based on different criteria such as genre. Includes user authentication!

### CINEQUIZ

<https://github.com/drewvena/git-it-right/> | <https://drewvena.github.io/git-it-right/>

Role: Javascript programmer, quiz code functionality

Tools: HTML, CSS, Javascript, OMDb API, GIPHY API

Cinequiz uses the OMDb API to gather information on films to create a quiz. Given a movie title, correct and incorrect actor choices are assembled, shuffled and displayed. The game also uses the GIPHY API to respond with gifs based on user choices. Highscores are saved, sorted and can also be updated!

## Experience

**CO-OWNER / VICE PRESIDENT**  
**Bluebonnet Records**

**JANUARY 2019 - PRESENT**

- I started this business, manage operations, oversee online orders, price and appraise records and help work the counter during store hours as needed.

**MUSIC TEACHER**  
**Round Rock ISD**

**FEBRUARY 2017 - MAY 2018**

- Taught K-5 music and planned my own curriculum based on the RRISD guidelines with a focus on modern technologies.
- Lead units on guitar (3-5), recorder (3-5) and keyboard (K-5) as well as extra units for 4th and 5th grade on ukelele and music technology using the Google Music Lab.

**BOX OFFICE**

**SEPTEMBER 2014 - JUNE 2016**

**Austin City Limits Live at The Moody Theatre**

- Worked my way up from intern, to usher, to will call, and then box office staff. I received promotions due to my computer skills and willingness to take on more responsibility.
- Responsibilities include ticket sales, will call, and providing specialized customer service such as ticket reprints, reseating, fraudulent ticket disputes, and filling in for the box office manager as needed.

**MUSIC TEACHER**  
**Opus One Music**

**JUNE 2014 - FEBRUARY 2017**

- Taught preschool music fundamentals and planned my own curriculum based on Opus One guidelines.
